Summer Academy Families,

Over the past month, Summer Academy has continued to monitor the impact of the novel coronavirus, COVID-19, and we have been working with our member districts to determine the next steps for our program. **At this time, we have made the difficult decision to cancel Summer Academy 2020.** This is an unprecedented situation and our highest priority remains the safety of our students, staff and families.

In the next two weeks we will be processing refunds to all families who made partial and full payments. Refunds take between 5-10 days to process. We will also be canceling the scheduled April 1st payments.

Our staff spends months planning and prepping to give our students an exceptional enrichment opportunity and we are equally disappointed in this outcome. We look forward to providing your students with an inspiring and challenging program in 2021.

If you have further questions, please contact us info@nssacademy.com

Sincerely,

Mike Schroeder
Summer Academy Director
